Voyager L1 · Homework

Три задачи в любом порядке: word formation, mini-cloze (memory), reading T/F/NG. Ключи в самом конце документа.

A · WORD FORMATION (5 ITEMS)

Use the word in **CAPITALS** to form a word that fits the gap. Write the answer on the line.

1. The result was so strange that the team's first reaction was complete _____ (**BELIEVE**).
2. Time, in physics, does not flow at a _____ rate for every observer (**STEAD**).
3. A single _____ measurement can shake decades of theory (**FAULT**).
4. Mia did not change the past — her grandfather had already _____ what she would do (**PREDICT**).
5. Hawking's view was _____ optimistic: the future open, the past closed (**CAUTION**).

B · MINI CLOZE · MEMORY (5 GAPS × 4 OPTIONS)

Read the text. Circle A, B, C or D for each gap.

We rarely remember a year as a whole. Instead, the mind ❶ a few sharp moments and lets the rest ❷. The ones that stay tend ❸ the rule of context: a strong emotion, an unusual place, an unexpected face. Years later we are surprised at ❹ we kept and what we lost. Memory, in this sense, is closer to editing than ❺ recording.

1. A) drops B) keeps C) hides D) breaks
2. A) repeat B) speak C) fade D) ring
3. A) to share B) sharing C) shared D) to be shared
4. A) where B) what C) which D) that
5. A) of B) at C) by D) to

C · READING T / F / NG · «THE WATCHMAKER'S APOLOGY»

Re-read Section 03 of the lesson. For each statement, circle **T** (true), **F** (false), or **NG** (not given).

1. Mia's grandfather had worked as a watchmaker for over fifty years before the accident. T · F · NG
2. Mia found her own full name in the logbook the first time she opened it. T · F · NG
3. According to the note, the watch Mia will bring is broken and beyond repair. T · F · NG
4. The grandfather spoke to Mia in Russian. T · F · NG
5. By the next Sunday, the entry for 14 March had a different name written on the customer line. T · F · NG
6. The grandfather opened his eyes after months of silence. T · F · NG

Voyager L2 · Homework

Темы: signals, language, evidence. Задача С требует прослушать аудио «Reyes's final transmission» — ссылка ниже.

A · WORD FORMATION (5 ITEMS)

Use the word in *CAPITALS* to form a word that fits the gap.

1. The first reaction of the team was a careful _____ rather than panic (**RESPOND**).
2. Mia's 2019 paper, at the time, was dismissed as _____ — only to be vindicated later (**NAIVE**).
3. The pulse's behaviour was systematically _____ — it disappeared the moment any recorder was engaged (**PREDICT**).
4. Reyes argued for a publication delay; Aaron favoured _____ release (**IMMEDIATE**).
5. The letter's tone was unsettling not because it was hostile, but because it was so _____ (**PATIENCE**).

B · MINI CLOZE · THE SILENT ONES (5 GAPS × 4 OPTIONS)

For sixty years we have ❶ patiently and heard almost nothing. The galaxy, by every reasonable estimate, should be ❷ with civilisations; the night sky, in fact, is not. This is the kind of silence that ❸ theorists into camps. Some say we are simply too early — the equation is right, the audience hasn't ❹ yet. Others suspect the silence is itself the message: every species that ever ❺ a transmitter has either died or learned to switch it off.

1. A) shouted B) listened C) waited D) hoped
2. A) crowded B) populated C) busy D) packed
3. A) brings B) gathers C) splits D) draws
4. A) come B) heard C) arrived D) listened
5. A) built B) made C) sent D) found

C · LISTENING · SENTENCE COMPLETION · REYES'S FINAL TRANSMISSION

Listen to the recording, then fill the missing word(s). MAX two words per gap. IELTS Listening completion format.
